

Help CJ's Raise Funds for MDA

June 7, 2010 – CJ's Tire and Automotive Services is asking for the support their customers to help post bail for Operations Manager, Greg Mynaugh. Mynaugh will be locked up for MDA on Wednesday, June 23 and needs a reach at least \$3,000 in bail money to be released. "Giving back to the community is very important to us at CJ's," relays Mynaugh "and we would greatly appreciate all the help that we can get in donating to this very important cause."

Donations to MDA not only ensure Mynaugh's release from behind bars, but more importantly help thousands of children and adults suffering from Neuromuscular Diseases. For more information of MDA or to make a donation, go to <https://www.joinmda.org/berkscy10/gmynaugh>
